

Discontinued product notification: pattern projectors
LTPR3W series replaced by new LTPRHP3W series
LTPRSM3W series replaced by new LTPRSMHP3W series

October 28th 2014

Dear Valued Customer,

Due to the introduction of new [LTPRHP3W LED pattern projectors](#) and [LTPRSMHP3W 3D LED pattern projectors](#), production of **LTPR3W** LED pattern projectors and **LTPRSM3W** 3D LED pattern projectors will be *discontinued*. We strongly encourage you to replace LTPR3W-x and LTPRSM3W-x with the corresponding **new LTPRHP3W-x and LTPRSMHP3W-x model***, which feature new electronic module **LTSCHP3W** and advantages over the old series, including - more precise light intensity tuning and - easy LED source replacement.

In order to assist you and allow for future planning, we will offer a last-time buy opportunity of our LTPR3W and LTPRSM3W series to support your needs.

Production will be discontinued on **June 30th 2015** (unless mutually agreed in advance with a supply agreement): after this date, LTPR3W and LTPRSM3W series will no longer be produced¹. We strongly advise you to contact our sales engineers ahead of such date to discuss about your specific needs.

Demo units will be available until **December 10th 2014**: after this date, demo units will no longer be shipped.

While we regret any inconvenience this announcement may cause, we appreciate and value our business relationship and we look forward to help you solve your machine vision challenges with our leading optical solutions.

All enquires and requests should be directed through the normal sales channels. Please [contact](#) our sales engineers to discuss about your specific needs.
